PROFESSIONAL EXPERIENCE

Content Marketing Lead | 2025 - Present
Blip (Mexico City)

- Responsible for content strategy across social media, blog, email, ebooks, website, and newsletters. Collaborator with the growth and acquisition team to align content with pipeline goals and target audiences.
- Main point of contact for our external marketing agency, responsible for briefings, planning, and production cycles. Liaison with Blip's Brazil team to adapt global content for the LATAM audience, ensuring regional relevance without losing brand consistency

Senior Content Specialist & Analyst for Amazon Prime Video | 2021 - 2025
Online Ventures C. A. (Mexico City)

- Managed social media marketing campaigns for Amazon Prime Video Mexico and Latin America, adapting creative concepts into platform-specific content, ensuring that ideas, formats, and frequency aligned with the requirements of each platform.
- Led a year-long paid media project for Prime Video Japan where my main task was to translate paid performance data into actionable reports for the Japanese content team.

Content Writer | 2022-2023
Learning Technologies Group C. A. (Remote)

- Wrote press releases, keyword-targeted blog posts, landing pages, eBooks, and social media copy according to the tone and guidelines of LTG's brands Open LMS and VectorVMS.
- Managed Open LMS's internal CMS and VectorVMS Wordpress, posting content weekly and auditing all content to find low-performing pieces that needed SEO optimization.

Technical Content Writer | 2020-2021
Wizeline (Mexico City)

- Created developer, user, admin, and starter guides for software projects, accelerating onboarding and improving team communication.
- Contributed as a UX writer to ensure clear, consistent, and efficient communication throughout the project.

Content Specialist | 2018 - 2020
Gelattina (Mexico City)

- Developed social media and content strategies for telecommunications company Telcel, supporting campaigns for Supercell games, the Mexico City Telcel Marathon, seasonal promotions, and cellphone launches.
- Led content production for live coverage events, capturing and posting real-time video and images across Telcel's platforms. Covered events ranged from cellphone launches to sponsorship activations.

Content Writer | 2017 - 2018
WebFindYou (Venezuela)

- Wrote SEO optimized blog posts and web content for a variety of clients (surgeons, doctors, architects, online stores, psychologists, etc.) from Colombia, Chile, USA, and Venezuela. Content included landing pages, product pages, newsletters, ad copy, eBooks, and blogs.
